

STRENGTH IN NUMBERS

THE LIGHTEST AND MOST POWER EFFICIENT IN ITS CLASS

Yamaha's new F70A boasts **incredible power** and Yamaha's **legendary reliability**... but its real strength lies in the numbers.

Not only is it lighter than even its nearest Direct Injection two-stroke competitor, the F70A also delivers the most horsepower per litre of capacity in its class.

MOST POWER EFFICIENT IN ITS CLASS*

YAMAHA F70A: 70HP/L

Nearest DI Two-Stroke Competitor: **58HP/L**

Nearest Four-Stroke Competitor: **47HP/L**

LIGHTEST IN ITS CLASS*

YAMAHA F70A: 120KG

Nearest DI Two-Stroke Competitor: **145Kg**

Nearest Four-Stroke Competitor: **155Kg**
