That's Gold!
Yamaha Supports the 18th
Annual Windamere Golden
Classic

In 2010 Yamaha Motor Australia jumped at the opportunity to sponsor the 18th Annual Windamere Golden Classic, a well regarded and long running fishing competition based at the pristine lake Windamere, a picturesque location 30km south of Mudgee in central NSW.

The event took place from the 5th to the 7th of November 2011 and although the conditions were challenging with cold winds up to 30 knots and rain, nothing could dampen the enthusiasm of the competitors who had come from near and far to compete and chase the elusive Golden Perch.

The event, put together by organisers Pat Morris and Ian Miller (both proud Yamaha owners themselves), is judged on the total length of the ten best Golden Perch caught over the competition window. Entrants compete for the coveted "Steve Starling Champion Trophy" with prizes being awarded over several different categories.

Yamaha Motor Australia also entered a team into the event comprising of John McDonald, Dan Power and Vitda Pangnanouvong who finished with a respectable mid field placing.

"Yamaha is proud to be involved with such a well regarded and long running event," says John McDonald, dealer support coordinator for Yamaha in NSW. "We feel that there is great

value in supporting grass roots fishing events like the Golden Classic and enjoy having the opportunity to meet the actual end users of Yamaha product. We can't wait to come back next year."
